Brokers are advised that a new Inspection Act will replace the present Query Form in Asycuda this week. This Inspection Act will include a Query Response Tab which means that Queries and Inspection Act details will be found on one form and will be visible by both Officers and Brokers.

A training video on how to utilize this new Inspection Act will be posted on the Customs website [www.customs.gov.dm](http://www.customs.gov.dm)

Please be guided accordingly.
