

The Dominica Customs and Excise Division is pleased to launch its new Online Learning Centre.

This new online learning portal allows the trading community to access training material, useful information, as well as quizzes on various Customs related topics such as HS Classification, Valuation, Rules of Origin, ASYCUDA Procedures and more.

Customs Officers, Brokers, Ships Agents, private professionals and others who are interested in widening their Customs Knowledge are free to browse though the manuals and presentations to learn about the core concepts of Customs or use these resources to refresh their knowledge base.

Customs will continue to add to this resource base; the following are currently available:

MANUALS	PRESENTATIONS	QUIZZES	VIDEOS
Valuation of Goods	Tariff Classification	Declaration Processing	How to Clear .SOClassCache
International Trade Agreements	General Interpretive Rules	Cargo Manifest Processing	Query Response
Tariff Classification	Customs Procedures	Tariff Classification	Scanned Documents
Rules of Origin	Rules of Origin		
	Trade Agreements		

The Online Learning Centre can be accessed here:

<http://www.customs.gov.dm/learning-center>

Training materials and resources in this Online Learning Centre were made possible by funding and assistance through Compete Caribbean, the Inter-American Development Bank (IDB), the United Kingdom Department for International Development (DFID), the Caribbean Development Bank (CDB), the Government of Canada the Government of the Commonwealth of Dominica and the Customs and Excise Division Information Technology Unit.

Compete Caribbean is a Private Sector Development Program that delivers Innovative and practical solutions that stimulate Economic Growth, increase Productivity and foster Innovation and Competitiveness. The Program works in 13 countries across the Caribbean region. CCPF is a partnership between the Inter-American Development Bank (IDB), the Foreign, Commonwealth & Development Office (FCDO), the Caribbean Development Bank (CDB), and the Government of Canada.

Content

The Customs Online Learning Centre consists of a series of manuals and presentation and other resources to assist Customs Officers, Customs Brokers, Ships Agents, Importers and other members of the Trading Community in learning about key Customs Procedures.
